# Frankenmuth Insurance Appoints LeClair and Merrihew to Commercial Lines Leadership

We are pleased to announce that Tim LeClair has been appointed vice president of Commercial Lines.

Tim will join the company on July 20 and assume responsibility for all Commercial Lines operations. He brings 35 years of commercial lines experience, including 20 years at Cigna Insurance Company, where he was responsible for P&L, sales and underwriting, as well as planning and distribution for Cigna's Midwest Region that included Michigan, Illinois, Wisconsin, Minnesota and Indiana.

Most recently, Tim served as vice president of Small Commercial Business for Hanover Insurance Group in Howell, Mich., for 14 years. In this capacity, he managed a team of 130 underwriting professionals across the country, while leading the company's $1 billion small commercial portfolio.

Tim resides in Waterford, Mich., with his wife, Susan. In his spare time, he enjoys traveling, biking and spending time at the lake with his three daughters and grandson.

In addition, we are pleased to announce the appointment of Scott Merrihew to assistant vice president of Commercial Lines. In his new role, Scott will assume responsibility for our Michigan, Midwest and Southeast Commercial Lines regions, as well as work with the vice president of Commercial Lines on various business initiatives.

Most recently, Scott served as the regional director for Michigan Commercial Lines. He brings extensive underwriting knowledge and professional education to his new role after holding numerous positions with increasing responsibility in Commercial Lines and Personal Lines during his 25-year career with the company.

Scott resides in Frankenmuth, Mich., with his wife, Liz, and their three children.

Please feel free to contact Tim or Scott with any questions or to simply give them a warm welcome in their new roles. Tim can be reached at tim.leclair@fmins.com or (800) 234-1133 extension 2307**.** Scott can be reached at scott.merrihew@fmins.com or (800) 234-1133 extension 2323.
