

Binding Authority Reinstated in Select Southeast States

It appears the worst of Tropical Storm Julia is behind us in certain areas of the Southeast region. As a result, Frankenmuth Insurance is lifting the binding authority suspension in the following states effective immediately:

- Alabama
- Tennessee

All other remaining states will continue to be under suspension of binding authority until further notice. We continue to keep all those affected by the storms in our thoughts, and thank you for your partnership during this weather situation.
