Binding Authority Reinstated in Southeast Region After Tropical Storm Nestor

Tropical Storm Nestor (formerly Tropical Cyclone 16) has been downgraded to a post-tropical cyclone, and it appears that the worst of the storm is behind us in the Southeast region. As a result of the downgrade, Frankenmuth Insurance is lifting the binding authority suspension in the following states effective immediately:

- Alabama
- Georgia
- Florida
- North Carolina
- South Carolina

We continue to keep all those affected by the storms in our thoughts, and thank you for your partnership during this weather situation.
