

Cooperative Advertising Opportunity with American Cancer Society

Frankenmuth Insurance invites you to participate in a cooperative advertising opportunity to support the American Cancer Society and their 2022 movement, Making Strides Against Breast Cancer. This annual campaign unites communities, companies, and individuals across the country in the fight to end breast cancer.

As a cooperative advertising participant, you can support this worthy cause by selecting from two sponsorship opportunities at your event location of choice. To maximize our support of this year's campaign, the Frankenmuth Insurance Charitable Foundation will make a \$500 or \$750 contribution on behalf of the first ten participating agencies to the American Cancer Society to support breast cancer research at the national level, depending on the sponsorship selected.

If you have any questions or would like to participate in this opportunity, please email marketing@fmins.com and include your completed sponsorship form by June 30, 2022.
