

FI Adjusters Ready to Aid Hurricane Irma Victims with Claims Assistance

In light of the impending threat posed by Hurricane Irma, Frankenmuth Insurance would like to reassure our agency partners in the Southeast that our claims adjusters will be positioned in your region for immediate deployment after the storm.

If you receive any claims that require escalation, please do not hesitate to contact our Claims Center at (800) 234-4433. We are available 24 hours a day, seven days a week.

The safety and security of our agency partners and policyholders is of utmost importance to us. We are closely monitoring and tracking this storm to ensure we can quickly meet your needs.
