

Frank Connections Webinar Series: Telematics

Frankenmuth Insurance is excited to announce the next webinar in our Frank Connections series, designed for agents to learn, exchange information, ask questions, and stay connected.

Join the Commercial Lines team to hear about the real-world applications and benefits of telematics for your commercial auto customers with fleet operations. Through our partnership with telematics provider, Azuga, their systems, when utilized effectively, can help reduce risky driving behaviors and claims, which can help increase your agency's profitability and account retention.

This session will focus on:

- Helping your customers understand the benefits of safe driving behaviors and how it impacts their policy
- Leveraging customizable options and analysis of telematics data to improve safe driving outcomes
- Exclusive customer and agent benefits of our partnership with Azuga

Two virtual meetings are planned:

- **Wednesday, October 19, 2022 | 2 - 3 p.m. EST**

[Click here for the webinar link.](#)

- **Thursday, November 3, 2022 | 10 - 11 a.m. EST**

[Click here for the webinar link.](#)

Please note: You don't need to register for this event. The links above will take you right into the meeting at the scheduled time. To make sure you remember, you can copy the link and add it to a meeting on your calendar.

Please plan to join us! We value your partnership and are always working to serve you better.

If you have questions, please email us at events@fmins.com.

Frank Connections Webinar Series is offered for our agency partners to encourage conversations about our plans, your challenges, and our mutual growth opportunities.
