

Frankenmuth Insurance Announces Rate Revisions on Ohio Personal Auto

Frankenmuth Insurance is announcing changes to our Ohio personal auto program.

The following rate adjustments have been made:

- **Base rates** for all coverages have been adjusted.
- The **advance quote discount** has been reduced from 12% to 9%.

Although individual policyholders' results will vary, the overall rate impact for the Ohio personal auto program is 9.9%.

Effective Dates

This rate change is effective August 1, 2023.

In addition to the rate change, we will no longer offer 6-month personal auto policies when we move to our new system. Moving forward, please make sure all new business personal auto policies are on a 12-month term.

Your Personal Lines underwriter will be reaching out to you with a list of current in-force 6-month auto policies that should be moved to a 12-month term by their next renewal.

If you have any questions, feel free to contact your Personal Lines field manager or underwriter.

Thank you for your continued partnership with Frankenmuth Insurance.
