

Frankenmuth Insurance Eases EPLI Application Requirements

We are pleased to share our employment practices liability insurance requirements have been eased to make doing business with us even easier. The following updates have been made:

- Applications are no longer needed for limits of \$100,000 and \$250,000 on loss-free accounts with fewer than 100 employees.
- Applications are required if the policyholder has experienced losses or claims in the last three years, has 100 or more employees, or is seeking limits of \$500,000 and \$1 million.

If you have any questions, please contact your field manager or underwriter.
