

Frankenmuth Insurance Foundation Seeking Grant Applications From Charities and Relief Organizations

At Frankenmuth Insurance we're committed to helping our neighbors. In fact, we were founded on the principle of "neighbor helping neighbor" and still adhere to that same mindset today. As we navigate these unprecedented times, we want to collaborate with you, our agency partners, in helping the neighbors in your communities.

Frankenmuth Insurance believes in giving back and we do so through the Frankenmuth Insurance Foundation, which offers support for charitable, scholarship and educational opportunities. The Frankenmuth Insurance Charitable Foundation is committed to making a positive difference within the communities where our employees, agents and policyholders live and work. And, this philosophy is now more important than ever.

In response to the COVID-19 pandemic, Frankenmuth Insurance has contributed \$25,000 to various charitable organizations and continues to look for opportunities to support local communities within our footprint.

If you are aware of an organization that is doing important work in your community and would like us to consider providing support, please direct them to our website at fminsdev.wpengine.com/foundation-application/ to complete an application.
