

Frankenmuth Insurance Launches New Entry Screens and System Navigation

Frankenmuth Insurance is pleased to announce that new entry screens and system navigation for Businessowners and Workers Compensation will launch early in December. To prepare for these changes, webinars to demonstrate these improvements are scheduled at 10 a.m. and 2 p.m. on the following days:

- Tuesday, Dec. 1
- Thursday, Dec. 3
- Tuesday, Dec. 8
- Wednesday, Dec. 9

Each webinar will take about 40 minutes. To register, log into [iBIS Agency Services](#) and look for links in the Information Center on the iBIS home page.

The new screens and navigation will enhance your ability to enter and quote Businessowner and Workers Compensation accounts, increase speed to market and make it easier to do business. They will go live on Monday, Dec. 7.

If you have any questions regarding webinar registration or the new screens, please contact Automation Support at extension 3000. We look forward to helping you transition to these new entry screens and provide faster service to our mutual customers.
