

Frankenmuth Insurance Removes Life Age Restrictions

Frankenmuth Insurance is pleased to announce the removal of life age restrictions imposed in April 2020, in response to COVID-19. We will accept applications, depending upon the product, up to age 80, including tobacco use.

The temporary guideline for sub-standard cases up to a table four maximum will remain in effect and will postpone any case that during underwriting review is determined to have co-morbidity issues with COVID-19.

We will continue to monitor COVID-19's impact and inform you of any changes in underwriting policies that may impact policyholders.

If you have any questions, please contact Marty Dinehart, Executive Vice President and Chief Operating Officer, Patriot Life, at 989.652.6121 ext. 2408 or martin.dinehart@fmins.com.
