

Frankenmuth Insurance Scholarship Foundation Announces 2021 Scholarship Recipients

Frankenmuth Insurance is pleased to announce the 2021 student scholarship recipients through the Frankenmuth Insurance Scholarship Foundation. The Foundation supports scholarship programs for college upperclassmen whose parent or legal guardian is an independent insurance agency that represents Frankenmuth Insurance or its subsidiary, Patriot Insurance Company.

25 students were chosen by a selection committee through the [Frankenmuth Community Foundation](#), which administers the Frankenmuth Insurance Scholarship Foundation program. The recipients were selected based on their interest in studying fields related to the insurance industry, outstanding academic performance, extracurricular involvement in school activities, and participation in community service projects. In addition, each applicant was required to submit a short essay about why they should be selected as a scholarship recipient.
