

Frankenmuth Insurance Scholarship Foundation Announces 2023 Scholarship Recipients

The Frankenmuth Insurance Scholarship Foundation is pleased to announce and congratulate the 2023 student scholarship recipients. The foundation supports scholarship programs for college students whose parents or legal guardians work for an agency that represents Frankenmuth Insurance or its subsidiaries.

Nineteen students were chosen by a selection committee through the [Frankenmuth Community Foundation](#), which administers the Frankenmuth Insurance Scholarship Foundation program. The recipients were selected based on their interest in studying fields related to the insurance industry, outstanding academic performance, extracurricular involvement in school activities, and participation in community service projects. In addition, each applicant was required to submit a short essay about why they should be selected as a scholarship recipient.

This year, the Frankenmuth Insurance Scholarship Foundation awarded a total of \$38,000 in scholarships. Please join us in recognizing the following scholarship recipients and the agencies their parents/legal guardians represent:

- Emilee Andrews, Judd Insurance, Birch Run, Michigan
- Emmalyn Braun, Savings Insurance Agency, Inc., Manistique, Michigan
