

Frankenmuth Insurance Yacht Set to Launch New Rating Program on March 2

Frankenmuth Insurance is pleased to announce the launch of a new yacht rating program which will position us more competitively with new model boats, as well as support your agency's ability to grow and retain yacht opportunities with us.

Beginning March 2, our rating program will be available for quoting. Renewals will also be processed through the program with policies effective March 15, 2020 and later. Depending on the rating attributes of the renewal account, it will be placed in the new program; all forms and coverages will remain the same. The only change you and your customers will see is a new policy number.

As a reminder, Frankenmuth Insurance covers boats in Michigan, Ohio and Wisconsin that are 26 feet or greater with a hull value between \$30,000 and \$1.5 million with a primary mooring location on the Great Lakes. Plus, our Yacht application is simple to complete within iBIS.
