

New Workers Compensation Business Policy

Frankenmuth Insurance is pleased to announce that early calculation and disbursement of workers compensation dividends is now available upon request.

Early disbursement will be granted only for payment of premiums due.

To receive early calculation and disbursement, a written request from the agent or policyholder should be submitted to the Frankenmuth Insurance audit team by emailing clpremiumauditleadership@fmins.com.

Other requirements include:

- Applicable only for Wisconsin workers compensation policies with a flat dividend.
- The policyholder, or the agent on the policyholder's behalf, waives the right to future dispute of the audit.

If you have any questions, please contact your field manager.
