

Reminder! Diamond Auto Endorsements Are Available

This month, we launched two new levels of coverage for your customers, Diamond Auto Premier and Diamond Auto Standard.

To help promote these new coverages, we have updated the Enhancement Form Comparison Tool found in the Commercial Lines Product Resources tab in iBIS Agency Services. This tool allows agents to see all 50 coverages available with Diamond Auto Premier and Diamond Auto Standard while comparing them to the Business Auto Plus endorsement coverages.

As a reminder, marketing materials for both agents and policyholders are available on the Agency Marketing Platform. To access, go to [iBIS Agency Services](#) > Resources > Marketing > Agency Marketing Platform. Once you are in the system, you can search “Diamond Auto” under the Search Materials section on the homepage and access all available materials.

If you have questions about these new coverages, please contact your field manager.
