

Take Advantage of Frankenmuth Insurance's No-Fault Reform Resources in Agency Services

Additional Michigan No-Fault resources are now available in Agency Services to help you stay apprised of important timelines, workflows and processes for handling selection form renewal packets, as well as Personal and Commercial Auto product changes through Frankenmuth Insurance.

To get started, log into Agency Services then select the No-Fault Reform page located under Resources. In addition to our law summary, frequently asked questions and introductory no-fault webinar materials, the following resources are now available for download:

- **Michigan Auto No-Fault Webinar Slides:** *Slides from our recent WebEx on important timelines, processes and workflows for selection forms and product changes for Personal and Commercial Auto. For agency use only.*
- **Michigan Auto No-Fault Webinar Recording:** *Recording of our recent WebEx on important timelines, processes and workflows for selection forms and product changes for Personal and Commercial Lines. For agency use only.*
- **No-Fault Reform Agency Partner White Paper:** *Summary of rate changes under Michigan's no-fault reform that could potentially impact customers' auto insurance premiums. For agency use only.*

Then, don't forget to leverage our [Michigan No-Fault](#) page to help mutual customers access helpful information and tools such as:

- An overview of the changes passed into law
- A brief history of Michigan's no-fault law
- Helpful FAQs about order of priority, coverage changes, and more
- Recent news articles, legislation updates and government resources

In the coming weeks, we will also refresh Agency Services with our forms once they have been approved. As always, we encourage you to stay tuned to our Agency Blog for more information as it becomes available.

For questions, please contact your field manager or underwriter.
