

Chart Your Own Course Heats Up with August Standings

Four agency partners wasted no time this summer, reaching the gold incentive level with our Chart Your Own Course Promotion.

Congratulations to Adam Stauffer of Stauffer & Wiggers, who reached the top tier of the gold incentive level, and Mark Ten Haken of Access Insurance Agency, who reached the second tier of the gold incentive level. We would also like to congratulate Mark Bone of Bailey Insurance and Eric Ringnalda of Garry L. Ringnalda Agency for reaching the first tier of the gold incentive level.

Several other agency partners are on pace to earn incentives, so make sure to keep talking to your policyholders about the value of life insurance.
