Learning Life Lessons Apple iPad winners announced

In early April, Patriot Life Insurance sponsored a producer training workshop titled “Learning Life Lessons.”

As part of the program – one held in Grand Rapids and the other at the Home Office in Frankenmuth – participants were eligible for a sales contest awarding an Apple iPad to one producer from each session. A drawing from all eligible entries was held on June 1st, and we’re pleased to announce Susan Pitser from Wills Insurance Services in Davison (Frankenmuth session winner) and Garrett Boursaw from the Ford Agency in Traverse City (Grand Rapids session winner) have each walked away with a new Apple iPad!
