

AM Best Affirms “A” Rating, Says Company Outlook is Positive

Frankenmuth Insurance is pleased to announce that AM Best has affirmed the company’s Financial Strength Rating (FSR)* with “A” (Excellent). The Issuer Credit Rating (ICR) was also affirmed with an “A+.”

In addition, AM Best upgraded the outlook for both ratings from stable to positive, reflecting solid results over the past several years. This upgrade was a very welcome, but unexpected action.

The FSR is an independent third-party evaluation providing a valuable benchmark for comparing insurers. The “A” rating reflects AM Best’s opinion that Frankenmuth Insurance is in an excellent position to pay claims and protect policyholders. The ICR is AM Best’s opinion of the company’s credit worthiness and ability to meet senior financial obligations.

What does this mean for policyholders? Essentially, it means you can rest easy knowing that for almost 150 years, Frankenmuth Insurance has maintained its financial strength and will continue to do so for years to come. We hope that brings you peace of mind about the company you trust for your insurance needs.
