

Watch Your Inbox for Invitations to the 2016 Executive/Agency Round Table Meetings

Just a reminder that invitations to the 2016 Executive/Agency Round Table meetings will be sent early next week. Don't miss this opportunity to engage in a frank conversation so we can better serve you — our Agency Partners.

NEW THIS YEAR: We've enhanced our event registration to allow agency staff members to register on behalf of the Agency Principal with his or her own Agency Services Username and Password. However, Agency Principals are still welcome to register with their own login information. For assistance with your username and password, please contact eBusiness Support at (800) 234-1133 Ext. 3000.

To ensure you receive the emailed invitation, please add events@fmins.com to your safe sender list.

We look forward to seeing you at the 2016 Executive/Agency Round Table meetings!
