VII Reviewing Drivers

An annual review will include the evaluation of the driver’s files for:
- Public complaints
- Excessive maintenance expenses or vehicle abuse
- Accident and violation history from a current Motor Vehicle Reports

Motor Vehicle Reports (MVR)

Each year, every driver will go to the Motor Vehicle Office and obtain a copy of their current Motor Vehicle Report (or equivalent in their state).

Acceptable driving records include the following expectations:
- No major violations within the last three years
- No more than two at-fault accidents or moving violations within the last three years.

Drivers who develop an unacceptable record will be considered for one-year probation. If the record continues to be unacceptable, our company will consider the following actions:

- Reassignment to a non-driving position
- Termination of employment

The driver will sign a statement indicating that he or she understands the reason for the probation and the consequences if the probation is violated.

**Evaluating New Drivers**

Each new driver will receive a road test to evaluate his or her driving ability.

**Violation Point System**

The following point system will be used for violation and accident potential:
